

DO YOU...

- Have less than 15 students in your middle school and high school ministry and combine them in the same environment at the same time?
- Need an easy and structured “step by step” format that takes almost no prep time?
- Need great ideas for student ministry activities on a tight budget?
- Need simple ways to engage parents, even if they don’t attend your church?

DO YOU...

- Have more than 15 students or separate student environments for middle school and high school?
- Need developmentally appropriate messages and small group questions for middle school and high school students?
- Need age-specific graphics for your middle school and high school environment?
- Need additional content to enhance both your middle school and high school environment?

DO YOU...

- Have more than 15 students or separate student environments for middle school and high school?
- Need video elements to enhance your environments?
- Need production elements like background playlists and transition videos?
- Need additional graphics for promotion and screen displays?
- Need a plan for communicating your worship leaders and teaching team?
- Need age-appropriate middle school notes pages and interactive?

Then **STARTER** is customized for you.

Then **BASIC** is customized for you.

Then **PREMIUM** is customized for you.
